Dear Jim and John:

Last month at the SARUP Awards Ceremony Dean Greenstreet presented the Richard Hunzinger Memorial Scholarship to Stephen Fenelon. Thank you for your generous support in making this award possible.

Scholarships are vital to attracting and retaining the most qualified students to UWM SARUP. I am pleased to enclose a letter from this year's recipient of the Hunzinger Scholarship as testament to the student's appreciation of your commitment to the program and to our students.

On behalf of Dean Greenstreet and the students at the UWM School of Architecture and Urban Planning thank you for your gift of support. We look forward to your continuing involvement.

Regards,

Dear Mr. Hunzinger,

Thank you for your generous financial support through the Richard Hunzinger Memorial Scholarship. Thanks to this support, I will be able to continue the pursuit of my graduate degree in architecture at the University of Wisconsin - Milwaukee.

I've always been interested in the "nuts and bolts" aspect of how projects come together as well as process and discipline integration. The recognition of your scholarship is a welcome acknowledgement that I am on the right track with my studies.

Again, thank you for your generosity. Your support and the support of your company is a great help in allowing me to perform at the highest academic level.

With sincere gratitude,

Stephen M. Fenelon
